

BOARD MEETING NOTIFICATION

Hi Everyone!

The YFMC Board will be holding a meeting on September 29, 2018 at 10am at the Bear Library meeting room # 3 to discuss issues on the agenda found on the reverse side of this notice.

Although this meeting is for discussion between Board Members only, residents are welcome to attend the meeting for listening purposes. When the Board has concluded our business, any residents in attendance will then be given the opportunity to bring any new business to the Board. Since this is not a General Membership meeting, all topics brought to the Board by residents will be noted for research and will be added to the agenda at the next General Membership meeting when all residents can be present to comment and vote, if necessary. Minutes of this meeting will be posted to the website at www.yorkfarms.org for all residents to view and be up to date on what was discussed.

Our website at www.yorkfarms.org does have a calendar of events so everyone can also check for future meetings there.
